

M. Sc. Instrumentation Science – Part II

IS 4 UP 07-08

Monthly Progress Report

All M. Sc. Part II students should submit their monthly progress report for the project work with their mentors in every first week of the month. The progress report should be in following format.

1. Name of Student
2. Name of Industry
3. Name of Industry Guide
4. Title of Project
5. Details of work carried out in last month (Minimum 2 – A4 sized sheets)
6. Difficulties and problems if any
7. Do you need any help from Department? If Yes, in what form?
8. Signature of the student and
9. Signature of Industry Guide

Important Note:

- a) Signature of Student and Industry guide is mandatory.
- b) The monthly reports will be considered for internal assessment of the project.

(J. B. Kirpekar)
